Team Working:

I have been working in teams for more than 3 years ago.

EXPERIENCE **GAZA, PALESTINE**

05/2023 – 08/2023

intern @Gaza Sky Geeks, Reactjs, Next.js and Advance JavaScript

During my internship, I immersed myself in ReactJS, Next.js, and advanced JavaScript, refining my ability to develop dynamic and responsive user interfaces. Through practical projects and mentorship, I gained invaluable experience using React.js and Next.js to create efficient and scalable web applications. Additionally, I delved into advanced JavaScript concepts, broadening my technical expertise. I also learned to use Git and GitHub, further enhancing my skills in version control and collaborative development.

EDUCATION UNIVERSITY COLLEGE OF SCIENCE AND TECHNOLOG - BACHELOR (LEVEL 4)-
INFORMATION TECHNOLOGY (IT)
I am pursuing a Bachelor's degree in Software Engineering, learning SOLID and Agile principles, as well as Algorithms and Data Structures.

COMMUNICATION I spend nice time with our team in Gaza Sky Geeks (GSG) in effective ways,
I learn from my friends, exchange my experience and my journey with him
and play nice games with others in free time.

LANGUAGES Arabic – Native language
English - Midlevel talking, excellent at reading and writing

PROJECTS Mawdee3
